

# Blue Delhi Declaration

F O R C E

I pledge to make Delhi 'Water Secure', through my actions as a responsible citizen of this heritage city.

I pledge to think of Water as a priceless Gift from god Almighty.

I pledge to use it judiciously, to remind myself and spread awareness about its value, and to support efforts directed to conserve it.

I pledge to do all I can to add to the ground water in Delhi and prevent its contamination.

I also promise to protect & preserve lakes and other water bodies that have been generously bestowed on our city.

I acknowledge and promise to play my role in ensuring a clean river Yamuna that has been the life line of people in the city for centuries.

I pledge to act, and to act now.

## Blue Delhi - Task Forces

### Delhi Lakes & Water Bodies

- o Protecting water bodies to ensure the critical ones do not vanish.
- o Revival/Restoration of water bodies and baolis of Delhi to mitigate the persisting water crisis.
- o Remove all encroachments in and around the lakes, ponds and reservoirs and maintain them.

### Revitalize River Yamuna

- o Cleaning the existing contamination / pollution in the river.
- o Preventing future contamination / pollution of the river.
- o Ensuring required flow of Yamuna, through its course in the city.

### Improve the Quality & Level of Groundwater

- o Artificial recharge.
- o Regulation.
- o Implementation of bylaws enforcing water conservation techniques in new constructions.

### Water Management

- o Eliminating water wastages.
- o Reusing used water.
- o Recycling of waste water.

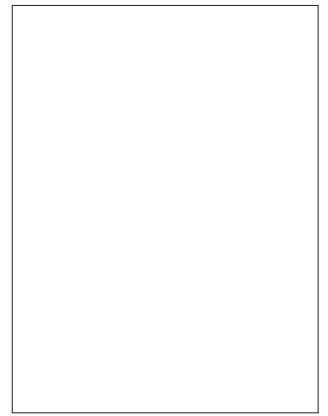

### Public Awareness

- o Involving general public in water conservation events and campaigns.
- o Encouraging people to take up responsibility for their locality's water management practices.
- o Making people aware of their obligation, regarding personal water usage practices.
